TO: 2012 USATF-MAINE Youth Registrations
FROM: Wendy Serbent - Club Registrations & USATF Memberships & Background Checks

IMPORTANT

2012 USATF-MAINE YOUTH REGISTRATION FEE:

When your club is "signing up" the Youth Athletes during your track and field club registration period, **we strongly suggest** that the USATF registration forms and payment (if applies) be collected the same time during your club's youth registration. All registrations (coaches', volunteers & youth athletes) **MUST BE** received at the office and be registered USATF members **before** the first summertime track and field developmental meet series begins. There will be **No** more grace period. (Annual Meeting Minutes – 9/08). **If there are NEW youth athletes that join a club during the summertime developmental series, please send their membership application to the office along with payment ASAP. Note: Due to receiving many NSF checks from private individuals' checking accounts (and unable to collect), MEUSATF prefers to only accept athletes registration payments from organized town / city government checks or Money Orders.**

COST: USATF-Maine Youth Athlete registration fee for 2012 is **\$15.00*** /youth. PLEASE make sure that **ALL** information is correct, re: date of birth(s), addresses and telephone number is included on the form. **This fee structure is through this association ONLY as cost increases if registered directly on line through the national web site*.**

USATF Club Practice Insurance Information & Forms: USATF Club Practice Insurance this year (2012), for the insurance to be valid. **All coaches / volunteers within your club must become members of USATF & have Mandatory Background checks done. - FAILURE TO COMPLETE ALL FORMS IN THEIR ENTIRETY MAY NULLIFY YOUR INSURANCE COVERAGE.** All coaches and volunteers (**and not just the head coach**) must provide a resume with the returned Insurance Registration Form. **Adult Coaches/Volunteers** USATF membership fee is \$30.00. **Youth Coaches between the age of 16 to 18** (and not turning 19 in 2010) cost is \$15.00*.

Mandatory Background Checks: Please remember that **all** Coaches/volunteers who comes in **DIRECT CONTACT** with **Youth Athletes** must have the **MANDATORY background check done** and this includes **all** those persons age 16 (sixteen) years and older who come in Direct Contact with youth athletes. Cost thru TC Logic is \$8.00/person.

USATF-Maine Association **will not be** performing **ANY** background checks for any and all USATF-MAINE Clubs as it was done in past years.

Sincerely,

Wendy Serbent
