**TO: 2008 Maine USATF Youth Registrations**  
**FROM: Paul Morency - Club Registrations & USATF Memberships**

### **IMPORTANT**

#### **2008 USATF YOUTH REGISTRATION FEE:**

When your club is "signing up" the Youth Athletes during your track and field club registration period, **we strongly suggest** that the USATF registration forms and payment (if applies) be collected the same time during your club's youth registration.

**All club Youth's registration MUST BE received on or before *JULY 12, '08 at the \$14.00 fee*\***.

**Any and ALL youth registrations received *AFTER* the *July 12 '08* date, USATF Youth registration fee increases to **\$15.00/youth\*\*** and **invoices will be mailed to respective clubs who may become delinquent**. This will help avoid delays when sending the completed forms and payment to the office. (Remember that legibility & accurate information given is of great importance.) All club youths 2008 registrations MUST hold a valid 2008 USATF registration number before the scheduled 2008 qualifying / state meet(s).**

USATF Youth Athlete registration fee for 2008 is **\$14.00\*** /youth. PLEASE make sure that **ALL** information is correct, re: date of birth(s), addresses and telephone number is included on the form.

**USATF CLUB PRACTICE INSURANCE INFORMATION & FORMS:** USATF Club Practice Insurance this year (2008), for the insurance to be valid. **All coaches / volunteers within your club must become members of USATF & have Mandatory Background checks done. - FAILURE TO COMPLETE ALL FORMS IN THEIR ENTIRETY MAY NULLIFY YOUR INSURANCE COVERAGE.** All coaches and volunteers (and not just the head coach) must provide a resume with the returned Insurance Registration Form. Coaches/Volunteers USATF membership fee is \$25.00.

Sincerely,

Paul W. Morency
