\*The rules review is only for those individuals re-certifying in USATF. Please circle Association, National, or Master category above. The National Officials dues are collected only once during an Olympiad. To be certified nationally you must also belong to the Maine Association. The rules exams now are available in the areas of Track & Field, Cross Country and Long Distance Running, Race Walking, and Weights and Measures.

A membership benefits package and membership card for USATF will be sent to you from the National Office of USATF. We must have a digital picture on file when we certify you for your membership card.

**Make checks payable to: MEUSATF**  
**Forward the fees and this order form to:**  
**Donald Berry, 115 Searsmont Rd, Belmont, ME 04952**

**Recertifying Officials: Please include a meet resume** for the past year so that I may update your skill areas in our database. If you have already sent one with your USATF re-certification materials, that is sufficient.
