

To: Track Officials who have not Re-Certified or Certified for this Olympiad
From: Don Berry, Maine Certification Chair
Subject: Re-certification & Certification

This memo is to remind you that your certification has not been completed for this Olympiad. Most of the material sources to accomplish this are available online or are shown as internet links in this memo. I would like to get these re-certifications and up-grades done this spring.

The process is quite simple. First of all, you need to complete an Association or National level exam and then complete the certification database and the USATF Officials' membership card. Lastly, are the financial requirements. Membership in the National Officials Association of USATF is \$15 as this is a new Olympiad and your certification will last until 2008. The membership fee for MEUSATF is \$20 and is paid annually. To be certified one must pay both fees. I will also have available rulebooks for high school, NCAA, and USATF the order form is available (<http://www.meusatf.org/officialsorder2006.pdf>). The USATF rulebook is available also on line as noted below. I have available the NFHS (high school) exam and it as are all of the exams free to you. The only other thing I will need is a digital photo of your head, full-face, for your ID card in JPG format. **Please remember if you are not certified, you cannot wear any USATF shirt or insignia.**

I can receive your answer sheet for the exams in a scanned form (.doc, .jpg, or .pdf) via e-mail.

The National Officials Membership form and 2005-2008 Association level Track & Field Rules Review exam are all available from me by mail or on line in pdf format at the following site:
<http://www.meusatf.org/officials.html>

If you need the USATF rulebook, it is available from me (\$12) or on line at:
<http://www.usatfofficials.com/rules.html>

If you need more info I will get it for you and will mail you anything else you need.

Other information is available at the following site: <http://www.usatfofficials.com>
